## **GHMC to build night shelters at four hospitals**

The GHMC has initiated steps for building night shelters for patients and their attendants at four main hospitals of the city at a cost of Rs. 10.88 crore.

The night shelters would be coming up at Koti ENT Hospital, Niloufer Hospital, Osmania General Hospital and NIMS. The GHMC Special Officer and Commissioner, Somesh Kumar, on Wednesday issued orders for calling tenders to take up the work on these shelters, according to a press release.

Mr. Kumar also issued orders promoting 50 Class IV employees, who had required educational qualifications.
