GHMC earns Rs. 739 cr through DPMS

The GHMC has earned Rs. 739 crore by the end of October this year through the Development Permission Management System (DPMS).

The corporation has issued building permissions to 18,616 applicants, whose applications are complete in all respects as per rules.

A total of 22,246 applications were received online, as part of the system, and permissions were issued within a month, a statement from GHMC informed.

The system was launched in June 2016.

Merit award

GHMC is set to receive the SKOCH Merit Award in Delhi on December 20 for achieving transparency and accountability through online issuance of building permissions and

occupancy certificates.
