MCD extends timings for property tax payment

Staff Reporter

NEW DELHI: With Tuesday being the last day for availing of the 15 per cent rebate on property tax payment in the Capital, the Municipal Corporation of Delhi has decided to extend the timings of all its zonal offices and headquarters to meet the extra rush.

Timings

The offices would remain open from 9 a.m. to 9 p.m. on Tuesday.

“Do not delay”

A civic body official said on Monday: “Failure to deposit the tax by Tuesday would mean losing the rebate applicable for making timely payment up to June 30 and also attract interest for delayed payment.”
