## **Drive against encroachments on Vikas Marg**

Encroachments, including illegally parked vehicles, on Vikas Marg were removed on Monday in a drive to make the road accessible for pedestrians.

The Delhi Government's Public Works Department, the East Delhi Municipal Corporation and the Traffic Police carried out the drive, which included the towing away of vehicles and issuance of challans to offenders.

Deputy Commissioner (East) Kunal said this would not be a "one-day affair" as such exercises would be repeated in the future. Preet Vihar Sub-Divisional Magistrate C. Velmurugan supervised the removal drive.
