Pune: Civic body nod for 180 days' maternity leave

The standing committee of the PMC on Tuesday approved the civic administration's proposal that its women employees were entitled to 180 days of maternity leave as applicable to those working for the state and union government.

"It was decided to make applicable the union and state government provision of 180 days leave to PMC women employees. The state government had issued a resolution in 2009 allowing the same ," said Arvind Shinde, chairman, standing committee.
